**Bill to Amend the Bylaws of the Armstrong Faculty Senate Article XI. Section F:  
Duties of the Education Technology Committee**

Whereas the Technology Fee Committee, a University committee co-chaired by Armstrong's Provost and Chief Information Officer, exists for the purpose of allocating Student Technology Fee funds to provide "enhanced learning for students";

The Armstrong Faculty Senate proposes that the following duty of the Senate Education Technology Committee be removed:

"The allocation of technology fee funds for the purchase and support of technology and software for academic and student use."
